A HIDDEN GEM

Approximately 100 sq.m of largely open plan space, most recently utilised by an arts and crafts retail / wholesale business who have outgrown the premises. Prior business operations here have included a hair salon and a yoga/pilates studio. The premises would suit similar style use or could have potential as offices or consulting rooms (STCC).

The photos used here depict the space when it was operating as the hair salon and best portray its spacious, open plan feel.

The accommodation comprises two large rooms, plus small office, w/c and shower. It is presented to a professional quality level with good use of glazing providing plenty of natural light. There is also the convenience of an on-site car park right at your door.

This is a rear unit, with pleasant outlook over-looking the Hahndorf creek. Situated close to the Hahndorf Post Office, Newsagency, Noske Butchers and German Arms Hotel.
