3 Zaknic Place, East Bunbury, WA 6230

Floor Area: 650 m²

Property Description

If you need space for a workshop or storage this one is worth a look. It can be broken into 2 sections if needed, 1 at 220m² and 1 at 430m². There are 3 offices and a reception area located at the front of the building.

The buildings are situated on 2065m² of land only a short drive to the city centre and located amongst other well-established businesses.

The buildings also have front and rear access through large sliding doors and plenty of parking out the front.

This is an excellent opportunity to buy in East Bunbury, its the only property currently available that is vacant in this street and at this price, it's listed at land value, so you are getting the buildings for free. If you're not ready to buy then talk to me about the options to lease.
